WEST END LAW SUIT.

Cards From Canada, Gray and Down-

From the Sturgeon Leader To the editor of the Sturgeon Leader: In the last issue of your paper I nothe case of S. W. Downing vs. William Mayer, myself and four other persons. In view of the unusual promine which you give to this suit may I ask that you permit me to-say a word in Although I have not been serve

with a copy of the petition, yet the allegations contained in the petition as ublished I desire to say are absolutely and willfully false, at least so far as hey relate to myself.

It is true I am a stockholder in the mining company mentioned, but the statement that I at any time ever entered into a "conspiracy to cheat, de-fraud and swindle" Mr. Downing or ny one else, is a malicious falsebood made from whole cloth. On the cou rary, I was always opposed to selling to any one any interest in the mining property and did not even know until after the sale that any interest had been sold, or to whom. After discover ing there had been a sale I went to on of the parties and offered \$1,100 is each for the interest he had nurchased for \$1,000. He, as did all the rest, re fused to sell. One of the parties wh ow claims to have been defrauded went so far as to pay \$2,000 to one of hi friends for the interest which had been bought for \$1,166 at the same time he new had only cost that amount Another one who also claims to have een defrauded bas been the malt beneficiary of the investment, having drawn a salary of approximately \$100
